## Drainboard Cabinets

See reverse side for model number key

### Standard Features

- All stainless steel construction
- Adjustable stainless steel bullet feet
- One-piece, seamless top and backsplash featuring 1/4" radius corners for easy cleaning
- Door(s) features integral handle
- Lock(s) standard on models with a door(s)
- Available without door(s) (add suffix '-LD' to model number)
- Work surface consists of a drainboard top with drain pan and separate perforated insert for better air circulation.
- Intermediate shelf and floor are still removable after unit is plumbed and include radius corners for easy cleaning.
- Plumbing connection is made underneath the unit and does not interfere with shelf or floor.
- Smooth interior walls for easy cleaning and a finished appearance.
- All storage is on a level plane
- Also available with flat stainless steel filler board top in lieu of drainboard top. Substitute an "F" for the "D" in the model number when ordering
