Harbour Food Service Equipment is proud to announce the opening of the second location of Toscano. A Beacon Hill favorite has expanded into Harvard Square, surrounded by the bustling eateries, shops, and confectioners on Brattle Street. Toscano's brings the bright, fresh flavors of Tuscany to historic Cambridge. Seating for about 120, as well as a full-service bar should be a great addition to Harvard's restaurant scene!

Harbour has been a partner in the kitchen, bar and dining room design, overseen construction, and facilitated procurement of equipment large and small. Featured products include Glastender, Delfield, Captive Aire, American Panel, Jade, Beverage Air, Hatco, Pitco, Steelite, Libbey Glass, Cambro, Tablecraft, Vollrath, San Jamar, Dexter-Russell, and custom fabrication.
