FORTESSA[®]
TABLEWARE SOLUTIONS

THE DIFFERENCE
BETWEEN A
MEAL & AN
EXPERIENCE

OUR STORY

Some of our happiest memories are born around the table—shared stories, good food, and warm laughter. It's what we were founded on in 1993, and it's what we believe in today.

While abroad, our founders fell in love with a surprising find: European ceramics. Enamored with the beautiful porcelain, their entrepreneurial spirits carried them home to their garage in Pittsburgh, where they began directly importing it to the U.S.

Building one relationship at a time, FORTESSA® TABLEWARE SOLUTIONS™ began by selling direct to customers, changing the way tableware products were distributed. And as relationships became friendships, products became passion. Dedicated to creating the most durable and unique products, we began working globally with factories to develop cutting-edge designs.

Driven by a love for shared meals, our company was built to bring exceptional tableware to market. It's our belief that business should feel as easy for customers as it does to enjoy dinner with friends. The name FORTESSA—derived from the Italian word for strength, *forte*—reflects our pride in quality products and lasting relationships.

Over 25 years later, we value food and friendships just the same. Whether it's an eight-course meal or a cup of coffee, every moment matters. Our passion for shared meals is behind every thoughtful design and unique product we craft. FORTESSA is proudly found in over 80% of all 4 and 5 star hotels in the U.S., in thousands of restaurants worldwide, and in just as many popular retail locations.

Our aim is to inspire moments around your table, both big and small.

We are FORTESSA TABLEWARE SOLUTIONS, the difference between a meal and an experience.

We are committed to serving the world's most demanding guests and finest hosts. Almost 150 years of glass manufacturing, tradition and passion are now adopting a confident new form: ZWIESEL GLAS. A new umbrella brand is an apt next step for us. It appropriately represents the full experiences of our ZWIESEL Glas Handmade and Schott Zwiesel brands, while reflecting our enduring passion to create the extraordinary and our aim to keep innovating in the future.

Products that lend a special touch to every table setting and are simply part of refined taste worldwide. The sound of toasting with a ZWIESEL glass is the unmistakable sound of true hospitality.

HANDMADE

The soul of the wine is reflected in the shape of the glass. Not least because of this, mouth-blown crystal glasses are synonymous with true connoisseurs for many wine lovers. The noble glasses of the ZWIESEL Glas Handmade perfectly express enjoyment. Individual collections offer the right glass for every occasion. The ZWIESEL Glas Handmade offers the perfect setting for the best wines in the world.

SCHOTT
ZWIESEL

For our sommeliers, winemakers, top international chefs, top hotels and private end consumers—or in short: wherever hospitality is of the utmost importance, our machine-made quality glasses are at home.

Our machine-made series not only impress with their high brilliance and the special resistance to breakage and dishwasher, but are also characterized by their sustainability. Our innovative TRITAN® technology ensures that the glasses are particularly durable and therefore environmentally friendly. In addition, only regional and tested materials are used for production.

Schott Zwiesel offers quality and sustainable design at the highest level, where tradition and innovation merge into the finest premium products.

BANQUET®

Our popular barware shape, now in stemware. For a classic aesthetic without the excess height—Banquet offers an abbreviated stem that’s as sturdy as it is elegant on the table.
