TABLEWARE SOLUTIONS

# THE DIFFERENCE<sup>®</sup> BETWEEN A **MEAL & AN EXPERIENCE**

Some of our happiest memories happen around the table — shared stories, good food, and warm laughter. Being a part of these moments is what inspired us to enter the tableware business in 1993, and today we value family, food, and friendships just the same. Our passion for shared experiences is behind every thoughtful design and differentiated product we create.

We are proud to say that FORTESSA products are found in over 80% of all 4 and 5 star hotels in the U.S., in thousands of restaurants worldwide, and in just as many popular retail locations. So, whether it's taking a 12-course tasting menu journey or savoring your first cup of morning coffee, we feel fortunate to be part of every memory you have around the table — ordinary or extra.

**We are FORTESSA TABLEWARE SOLUTIONS,  
the difference between a meal and an experience.**
