

# Sterno® Hand Sanitizer

## Bulk Refill - Gallon

Contains 66% alcohol for an effective hand sanitizer, specifically bulk-packaged for refilling existing containers to help reduce plastic waste

### Features & Benefits

- Contains 66% alcohol to reduce bacteria on hands
- FDA REGISTERED GEL formula offers a user-preferred viscosity that is easily dispensed and clings to hands during application for better efficacy over runny, liquid alternatives
- Integrated grip handle offers a stable, steady pour into empty containers
- Includes a moisturizer to soothe skin
- Quick-drying, bio-preferred ethanol formula effectively sanitizes hands
- Each case includes 1 dispensing pump for refilling smaller bottles. Additional dispensing pumps sold separately
- Ideal for food service and healthcare environments, for use in kitchens, restrooms, and common areas
- Fragrance and Dye Free
- Made in USA

Case Pack: 4

#### Active Ingredients

Ethanol 63.3% v/v, Isopropanol 2.8% v/v

#### Inactive Ingredients

Propylene glycol, polyethylene glycol, acrylate polymer, distilled water

**\$199 per Case**  
4- 1 Gallon Bottles +  
1 Hand Pump per Case
