Harbour Food Service Equipment is proud to announce the opening of Jamestown Fish in the Newport, RI area featuring fresh, locally harvested seafood and produce paired with fine wine from some of the world's most respected vineyards. Exotic libation is served in the intimacy of the full service upstairs Bridge Bar and deck, with views of Narragansett Bay and the Newport Pell Bridge.

Harbour has been a partner in the kitchen, bar and dining room design, overseen construction, and facilitated procurement of equipment large and small. Featured products include Jade, Hobart, Glastender, Cambro, Vollrath, and custom fabrication.
