VOLUME 2011

Tedesco Country Club

The Tedesco Country Club is a private member owned club dedicated to a superior golf experience while providing a high quality dining, social and family environment. Organized in 1900, Tedesco has been one of Marblehead's premier locations for not just golf but weddings, meetings, and all sorts of special occasions.

Harbour Food Service Equipment is proud to be a part of Tedesco's next evolution with the opening of its new \$11M clubhouse and dining facility. The 18 month long project includes two bars, a full dining area, and a function room with outdoor patio. The clubhouse is designed and outfitted with all the latest equipment and amenities and can handle up to 200 function guests in addition to a full dining room.
